

# Japanese Lessons in Settsu City

Settsu Association for International Exchanges is located inside the Community plaza 2F.

It supports people living nearby who come from abroad with international marriages, business etc.

It organizes 5 Japanese lessons (please see P2). It holds various events such as "Kimono wearing experience", "Seasonal events" "International events", and so on.

"I don't know about schools for my children!" "I am not used to the Japanese lifestyle!"
